

NO. 15.

IN NEIGHBORING COUNTIES.

George D. Hopper, Stanford, Ky.

The Interior Journal.

E. C. WALTON.

JUDGE JOHN W. HUGHES.

of Mercer county, is a candidate to represent the Eighth Congressional district of Kentucky in Congress, to succeed Hon. G. G. Gilbert, subject to the action of the Democratic party.

A CORRESPONDENT of the Cincinnati Enquirer says that the republicans are in a strait to find an issue for the next campaign. They first thought of working the "rotation in office racket," but found that not over three, possibly two of the present officers would be candidates. The extravagance of the administration of affairs won't work because the State debt is paid and the surplus is going toward building a new capitol. The cry of conviction of innocent parties for the assassination of Goebel won't do for Gov. Beckham was elected twice when it was almost the sole issue. They have decided to charge that the democrats passed redistricting bills that are unconstitutional to further increase their hold, but they won't make anything out of that as the democrats will plead guilty and say they are only after what is coming to them. On the whole the republicans are in a bad way. The clean record of the democratic administration and the excellent management of the State's affairs leave them nothing upon which to hang a hope. They will therefore save time and money by getting out of the way of the juggernaut and leave the democrats to continue to conduct the affairs of the State in the creditable manner they are doing.

EARTHQUAKE shocks followed by fire at San Francisco Wednesday caused one of the greatest disasters in the history of the United States. The loss of life is estimated anywhere from 200 to 1,000, and probably 1,000 people have sustained injuries. Thousands of people were left homeless and many of them are in the parks and public squares. The water supply being cut off by the earthquake shocks left the fire department helpless and the loss by fire is too great to even give an estimate of. There has been heavy loss of life in the outlying districts. Santa Rosa is reported to have been partly destroyed and heavy damage has been done to the buildings of the Leland Stanford University at Palo Alto. The property loss will exceed \$200,000,000.

SAN FRANCISCO is still burning and hope of saving the city has been almost abandoned. The lowest estimate of the loss of life is 500 and the fire loss grows greater each minute. Over 200,000 people are homeless. Every business house in the downtown district is in ruins and the government has taken steps to relieve the distress. John D. Rockefeller has sent \$100,000 to the homeless and destitute.

THROUGH carelessness or ignorance more than \$56,000 were found in 1,000,000 dead letters that have been disposed of in the last year, under the direction of the Fourth Assistant Postmaster. Besides money, there were many valuables. A good deal of the money was restored to the careless senders.

SENATOR PLATT says he will not again offer for the place he holds and Senator Depew has put himself out of the running. Politics will, therefore, be pretty lively in New York for some time to come.

POLITICAL.

The House passed 11 general bills and 572 private pension measures Tuesday. The New York Assembly passed unanimously the bill requiring publicity of campaign contributions and expenditures.

Gov. Beckham has appointed Henry R. Lawrence, of Trigg county, adjutant general of the State, to succeed Gen. Percy Haley.

The democratic Senators held a caucus lasting practically all day on the Railroad Rate bill in Washington, but finally adjourned without reaching any agreement or taking any action.

Democratic members in the House of Representatives, who favor the quarantine measure, are encouraged by the bill agreed upon by the Senate Quarantine Committee and are hopeful that the law may be enacted before adjournment.

President Roosevelt, in his message to Congress, refers to the case of the beef packers as a miscarriage of justice and urges Congress to enact new legislation. He severely scores the decision given by Judge Humphrey, but places no blame on Garfield.

President Roosevelt has decided to appoint Charles B. Aycock, former governor of North Carolina, and Van Leer Polk, of Tennessee, members of the delegation from the United States to the Pan-American Congress, which is to meet in July at Rio Janeiro.

In the circuit court at Frankfort Judge Stout sustained a demurrer to the petition in the injunction sued out by Capt. Cochran, of Maysville, against Gov. Beckham to compel him to certify claims of the Taylor militia on duty at the State House during the Taylor-Goebel contest.

Shanks' on Lower Main Street, where I have a better location and an abundance of all kinds of plants. Remember the place. CEDAR CREEK.—The farmers are very busy in this community now. W. T. White has sold his farm to a party from Virginia for \$1,400. Mrs. Myrtle Dyehouse is very low with a complication of troubles. MATRIMONIAL.

G. A. Falconberry, a widower of 55, and Mrs. Mahala Sims, a widow of 44, were married at the court-house yesterday by Judge R. C. Warren.

The church statistics show that if American church members gave each one postage stamp weekly to missions the amount would be \$10,000,000 a year; a car fare weekly would be \$50,000,000; a dish of ice cream, \$100,000,000. The present amount given annually is \$7,000,000.

Nervous School Children.

Statistics gathered by various School Boards, show that a large percentage of school children suffer from different forms of nervousness, mild or exaggerated. Some showed a tendency to melancholy, others mental depression, and many the nervous twitches of mild chorea, or St. Vitus' dance. Most of these troubles can be overcome by proper food, sufficient sleep, and Dr. Caldwell's (laxative) Syrup Pepsin. It is a universal children's medicine, because, if good food is eaten, it insures that the food is properly digested and indigestion and nerve poisons properly thrown out. It is pleasant to take, and safe and sure in results. Try it. Sold by Penny's Drug Store, Stanford; C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

Mrs. J. Wade Walker gathered from 195 hens for the week ending April 14, 903 eggs, a daily average of 129. The highest number for one day was 154. She sold during the week 65 dozen for \$7.80.—Lancaster Record.

GALTON, 12910.

Sired by Gambetta Wilkes 2:19 3/4, with 191 with records from 2:05 to 2:30, claimed to be the greatest sire in the world.

1st dam Daisy Field (grandam of 3 with records from 2:13 1/4 to 2:17) by Enfield 2:29, sire of 6 in 2:30 and dams of 60 in 2:30 or better. 2nd dam Quickstep, by Kentucky Prince, Jr., sire of J. Q. 2:17 1/4, Lemonade 2:27 1/4 and the dams of 15 in the 2:30 list. 3rd dam by Old Joe, sire of the dam of J. Q. 2:17 1/4.

Galton carries the blood of four leading families: Hambletonian, Wilkes, Mambribrino Chief and Seeley's American Star. Galton is a dark bay, 15 1/2 hands, breeds large, fine style, action and speed. Only 6 of his colts have been handled for speed a short time; one took a mark of 2:29 the other five worked trials from 2:18 to 2:30. His colts have gone against and defeated the best in the harness classes, and roadster rings, one of his colts having won a \$75 premium at the Hustonville fair over the best. Comment is unnecessary, as he is so well known, having made all of his seasons at my place, 12 in all.

Galton will stand at my stable, 2 miles west of Hustonville, on Bradfordville pike, at \$10 to insure a living colt. Money due if mare is traded after being bred. Grass after May 1st at \$2.50 per month. Phone in residence.

W. M. DODD, Hustonville, Ky.

DORSEY GOLDDUST, 12052.

Full Brother to Estelle, 2:19 1/4.

Sired by Zileadi Goddard 4:40, by Gold-dust 150, and he by Vermont Morgan. (Dorsey Golddust's grand dam on sire's side was by the Imp. Arabian Stallion Zileadi.) His dam is Florence, by Golden Mingo Chief, a son of Gaff's Morgan, making him intensely inbred Morgan stallion, descending from Justen Morgan on both sides. The best family of road horses ever known. Dorsey Golddust is a dark dapple bay, full 16 hands and weighs 1,200 pounds; a proven and uniform breeder of high-class road and Eastern horses, combining all the qualities for saddle and harness and are in demand at top prices. Both the champion saddle and combined gelding of the American Horse Shows of 1924-5. Jack O'Diamonds stands to his credit. Ten of his colts sold recently for \$10,250 and \$1,500 was refused for a walk-trot mare by him. His services are offered for less than any horse of his producing qualities in Kentucky. Will stand at my farm near Stanford at \$20 to insure a colt. Will make the season at my farm, 2 1/2 miles from Stanford on the Hustonville pike.

F. REID, Phone 111, Danville, Ky.

Hummer, 6:12, is a son of the renowned Electioneer living that is out of a George Wilkes mare, and with the exception of Arlon is the only son standing in Kentucky that has a 2:09 performer to his credit. THOSE who have no idea of the picturesqueness of Mexican costumes and romance of Mexican life have a revelation in store for them when "A Royal Slave" comes to Walton's Opera House to-morrow night, 21st. From the rising of the curtain on the first set to the descending on the last act, it is a continuous panorama of gorgeous beauty and heart-stirring romance.

THE L. & N. will put in double side tracks over Paxton's grade, 1 1/2 miles North of Stanford, and a tower will be erected on the top of the hill. Paxton's grade will be a meeting point now and in many cases neither train will be compelled to stop. Superintendent Snyder and Master of Trains W. W. Wright were here Tuesday and decided on the improvement.

STONE.—Mr. John T. Stone died at his home at Egerton, Mo., of troubles incident to old age. He lived in this county many years but moved to Missouri before the war. He was a carpenter and helped to build many houses in this section, including that of Mr. W. J. Aston, at Walnut Flat. He was a cousin of Messrs. W. T. and L. H. Stone, of this place. Mr. Stone's first wife was a daughter of the late Hamilton Baughman and several children were the fruit of that union. The wife who survives him was Mrs. Ma Linda Hayden, widow of Mr. Leo Hayden. Mr. Stone was a fine old gentleman and his friends here learned of his death with much regret.

THE Central Kentucky Medical Society met in Walton's Opera yesterday with some 25 or 30 doctors present. Only two papers were read, one by Dr. George Cowan, of Danville, on "Charlatan Doctors, Charlatan Druggists and the Ladies' Home Journal," the other by Dr. Murison Dunn, of Richmond, on "Surgical Treatment of Pleurisy."

Both papers were well received and were discussed at length. Considerable routine work was done.

SPOONMORE.—William J. Spoonmore, aged 21, died at the home of his father, Mr. John M. Spoonmore, near Hubble, yesterday and his funeral will be preached by Eld. F. M. Tindler, of Lancaster, at the Christian church at Hubble at 10 o'clock this morning. He had been a sufferer from lung trouble for a year and a half. Mr. Spoonmore was a member of the Christian church and an industrious, honorable young man. He is survived by his wife, who was a Miss Rivers, of Providence, Ind. The burial will take place in Buffalo cemetery to-day at about 12:30.

THE story of how scenery is painted is interesting. Sometimes it is just the imaginary conceit of some pot-boiling painter who cares only for the money in view. Sometimes it is really high art. This certainly is the case in the scenic investiture of Gordon & Bennett's beautiful romance of old Mexico, "A Royal Slave," which comes to Walton's Opera House Saturday night, April 21st. Photographers took numerous views of Mexico's most famous wonders and high-salaried scenic artists painted the splendid scenes which are used in the production. When these first flash into view a loud murmur of praise is always heard.

DOORES.—Mrs. W. M. Doores, aged 72, died at her home at Crab Orchard of a complication of troubles Wednesday and after funeral services at the home by Eld. F. M. Tindler at 10 o'clock yesterday morning, the remains were taken to Lancaster and interred. Mrs. Doores formerly lived in Missouri, where the doctor married her. She is survived by her husband, the well known Crab Orchard physician, and two daughters, Mesdames C. A. Speigle, of Shelbyville, Ind., and M. Livingston, of Boston. A devout member of the Christian church and a most excellent woman, it was fitting that she was spared to a ripe old age. Much sympathy is felt for those who so keenly feel the loss of her.

CONNER.—Not only one of the oldest women in this section, but one of the very best, went to her reward when Mrs. Maria Conner breathed her last at 5 o'clock yesterday afternoon. She had been in feeble health for many years, but not until four weeks ago was she compelled to take her bed. She gradually grew worse and her death had been momentarily expected since Tuesday last. Mrs. Conner was born in the residence now occupied by Mrs. Peter Straub in 1819 and died under the same roof her mother and daughter died. She was a Miss Myers, sister of Messrs. A. Sidney and John B. Myers, who also died in the Myers House. Many years ago she married a Mr. Conner and Mrs. E. H. Burnside, who died several years ago, was their only child. Mr. Conner died a short while after Mrs. Burnside's birth. Deceased was a devout member of the Presbyterian church but her feeble condition prevented her attending its services in latter years; in fact she had not been on the street for 10 years or more. After the death of Mrs. Burnside, Mrs. Conner filled the place of mother as well as grandmother to her grandchildren who loved her dearly. Their love was fully returned, as her devotion and ministrations to them clearly showed. Truly a Godly woman has been called to the great beyond and not only do her kindred mourn their loss, but every inhabitant of Stanford, where her long and useful life has been spent, is saddened by the thought that she is no more. The grandchildren Mrs. Conner leaves are: Mesdames E. P. Owsley, of Columbus, Ga., and Al. G. Huffman, of Louisville, and Miss Pearl Burnside, of this place, all of whom were with her when the end came. At 2:30 this afternoon, Rev. Gilbert Glass will preach the funeral at her late home, after which the remains will be taken to Lancaster and laid to rest.

RESERVED seats now on sale at McRoberts' Drug Store for "A Royal Slave" performance at Walton's Opera House to-morrow, Saturday night.

I HAVE just returned from the city with a nice line of millinery, and I earnestly solicit the patronage of the ladies of McKinney and community. Mrs. M. V. Moore, McKinney, Ky.

"UNDER the Southern Cross" will be the subject of a lecture to be delivered at the Christian church at Turnersville on Friday night May 4, by Rev. C. M. Gordon, of Australia. The lecture will be under the auspices of the King's Daughters.

ANNETTE, the Castilian dancing girl in Gordon & Bennett's production of "A Royal Slave," which comes to Walton's Opera House Saturday, April 21, wears a different costume in each act and each is a resplendent mass of spangles in harmonious color and in keeping with the body of the gown. The effect of the brilliantly lighted stage is truly magnificent.

At first blush it seems rather a ridiculous thing for the government to go into the business of importing sacred cattle for breeding purposes, but if the claims are true it is a very proper proceeding. It is said that the reason these cattle are desired by cattlemen is that they are immune from pleuropneumonia, which has caused heavy losses through infection by cattle ticks. Experiments have been carried on for years to demonstrate this fact. The introduction of one-eighth of sacred blood in the ordinary American cattle is said to be enough to obtain immunity. Secretary Wilson agreed to afford facilities for the importation of Indian cattle, but on condition that a government veterinarian should examine every beast before it is bought, and give his approval to the purchase. The expenses of the veterinarian are paid by the cattlemen.

Miserable Conditions.

Of body and mind, always result from a torpid liver, which leads to bile poisons being absorbed into the blood, and poisoning all the nerves and tissues. This dreadful state, some of the symptoms of which are headache, bitter taste, nausea, lack of appetite, yellow complexion, constipation, etc., can be quickly cured by taking Dr. Caldwell's (laxative) Syrup Pepsin. It relieves the strain on your liver, relaxes the tightened bowels, purifies the blood, strengthens the stomach, and makes it as clean as a whistle. The result is perfect health, and freedom from pain and discomfort. Try it. Sold by Penny's Drug Store, Stanford; C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

The Sultan of Turkey has a great collection of canaries. He chooses them by the length of time they sing without stopping. Recently he paid a very high price for an English canary, which sang without a stop for 20 minutes by the Sultan's watch.

Grip Quickly Knocked Out.

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of a gripe with all its miserable symptoms," says Mr. J. S. Eggleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, adding the same with a double dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip." Sold by Dr. W. N. Craig, the popular druggist, Stanford.

Great Activity

Is shown without any disagreeable after-effects, by Dr. Caldwell's (laxative) Syrup Pepsin, in going to the seat of your trouble, when you are a victim of Constipation, Bilioussness, Headache, Indigestion, Dizziness, etc. It gently but firmly drives out the poisons that are causing your illness and braces up all your internal organs to do their proper work. Try it. Sold by Penny's Drug Store, Stanford; C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

NABOTH.

By Naboth, bay, four-years-old and a much finer horse than his sire, so well known in this part of the State as a breeder of speed, style and durability. Dam Nora Norval, by Nora, 2:14 1/2, a son of Electioneer 123. Nora Norval's first dam by Metropolitan, son of Hambletonian 10, sire of Geo. Wilkes and Electioneer; 2d dam by Mambrino Starlight; 3rd dam by Oliver; 4th dam by Wagner; 5th dam by Imp. Tranby; 6th dam by Thornton's Rattler. A splendid individual with a pedigree as fine as any horse's. Stands 15 1/2 hands high and weighs 1,200 pounds. Will make the present season at R. G. Antecarlo, 2:26 1-2,

Made over Versailles track in winning race. Sired by Anteo, 2:16 1-2, that sold for \$50,000 at public sale. First dam Mary Ann, by Hailstorm 813, son of Mambrino Patchen. These two crosses produced The Abbot, 2:03 1-4 cham ion trotting gelding of the world, 2nd dam by Independence, son of Andrew Jackson. Independence's dam by American Star. The American Star and Andrew Jackson blood is responsible for Cresceus, 2:04 1-4, the champion trotting stallion of the world. You see Antecarlo's two top crosses are responsible for the fastest gelding, two next crosses are responsible for the fastest stallion. Then you see he is better bred than either of them for he has the blood of Antecarlo in a solid brown horse. 15 3-4 hands high, weighing 1,170 pounds, fine style and action. Will stand at \$10 to insure a living colt.

BUCK VARNON.

Black Jack with white points, 5 years old, 15 1/2 hands high. Fine breeder and great individual. A jack of fine bone and action. Will stand at \$10 to insure a living colt.

Lien retained on colts for season money. Mares traded or bred to other horses forfeits insurance and makes season money due. All will stand at my farm on Somerset Pike four miles from Stanford. Mares grazed at \$2 per month. Care taken to prevent accidents, but not responsible should any occur. WILLIAM M. FIELDS, Stanford, Ky.

DARE ALL 2086.

The combined stallion, will make a limited season, 1906, at Lawn Mere Stock Farm, 2 1/2 miles west of Hustonville, Ky., on the Bradfordville & Hustonville pike, near Carpenter's Station, at \$15 to insure a living colt. Mares traded or parted with forfeits insurance and makes season money due at time of such transaction. Lien retained on colts till season is paid. Mares grazed at \$2.50 a month. Grain fed, if desired, at reasonable rates. Bills must be paid before removal of mares. Mares entrusted will receive my personal attention, but I will not be responsible for accidents or escapes.

DESCRIPTION—Foaled in 1902, 15 1/2 hands high, dark bay with one front and rear foot white, star. A model of great beauty with short back, long neck, deep, well-sloping shoulders, and with great style, as one would expect from reading his pedigree. Good bone, fine feet and legs, wonderful stamina. Attractive by halter, under saddle and in harness, with that graceful movement that belongs to him by inheritance from a long line of the most famous ancestry of saddle horses the world has ever produced.

Pedigree—Sired by Dignity Dare, No. 1085, Vol. 5, A. S. H. R., he by Chester Dare 10, he by Black Squirrel 53, he by Black Eagle 74, he by King William 67, he by Washington Denmark 64, he by Gaines Denmark 61, he by Denmark, F. S. 1st dam Fannie Mc 2739, by Red Squirrel 53, 2nd dam Mollie Good by King William 67, 3rd dam by Devenport's Oliver. Th. Dignity's 1st dam by Welchmont 6367 A. T. H. R., he by William Welch, he by Rysdick Hambletonian, 2nd dam by Abdallah Messenger, 3rd dam by Gill's Vermont.

REMARKS—In offering the services of Dare All to the public, I take occasion to state, without presumption, that I have been a breeder and handler of fancy saddle horses for 25 years and experience has taught me to know and appreciate a high-class one. Dare All is the result of careful painstaking breeding and comes as natural result of mating the very best mares with the foremost stallions the State has afforded. Carrying about 25 per cent. of King William blood, a greater per cent. than any stallion in service in the State, King William being regarded as pre-eminent for fancy saddle and harness horses. Dare All, sired by the now coming famous Dignity Dare, he in turn by Chester Dare, following a long list of sires, every one a great show horse, out of mares that were equally as famous as show mares, and his dam, Fannie Mc., the greatest show mare I ever owned, having refused \$1,000 for her. I think entitles him to the careful consideration of all prospective breeders. He is now just being started to the saddle, taking to the gait as quick and handy as any I ever handled. I think he will be a grand show horse when finished. See him before booking your mares. C. C. CARPENTER, Phone in residence, Hustonville Exchange

NOTE—Ashland Brook is a handsome fellow, with lots of substance, has a good way of going with lots of speed, style and action. This colt should sire some very high-class horses. Ashland Brook will serve a few outside mares this season at \$15 to insure a living colt.
